Online (Zoom)

*Referent: Dr. Brian Joseph Bloch (Lecturer,
Universität Münster)*

Anmeldefrist: 03.02.2025

This workshop prepares PhD students for their first conference presentation in English. We will discuss basic dos and don'ts, specific vocabulary to guide your audience smoothly through your presentation and strategies for dealing with difficult questions.

Outcomes:

- *Overview of the various aspects of presenting – what to do and what to avoid*
- *Equal focus on the linguistic aspects in term of errors and potential improvements*
- *Ensuring an effective, informative and interesting presentation of your work*
- *Foster your academic career and optimize your progress*

The workshop will take place entirely in English.
