Interdisciplinary conference on political psychology in Germany

January 17 and 18, 2020

FernUniversität in Hagen
Building 2
Welcome to the interdisciplinary conference on political psychology in Germany!

This event aims to bring together scholars from different fields interested in political psychological research questions, in order to foster exchange and explore mutually reinforcing avenues for further study. The program includes over 65 “conversation starters”, two inspiring keynote presentations and time for discussion within the sessions and the coffee breaks.

With almost 100 registered participants, coming from Psychology, Political Science, Sociology, Communication and related disciplines it promises to be an exciting 24 hours of political psychology!

Jolanda van der Noll, Kathrin Ackermann, Monika Verbalyte and Frank Asbrock
