

Application for the online language course of studyBRIDGE

Please note the following information:

- This is an application, not a registration. You are taking part in a selection process, and acceptance is not guaranteed. Please refrain from cancelling other activities until you have received notification of your admission.
- The courses are primarily aimed at people with a refugee status, which is why international students have less chance of being admitted.
- Applications sent to studyBRIDGE outside the application period will not be considered. Please apply during the next round.
- You may only apply for one of the two courses. Students may only apply for the B2 course and must provide their matriculation number. Those without a matriculation number may only apply for the intensive language course.
- Please provide all information requested on the form. All information is important.
- Please sign the application form by hand, not electronically (not with printed letters).
- If you are absent from the B2 course four times in a row without excuse, or seven times in a row from the B1 course, you will automatically be removed from the list of participants and your place will go to the next person on the list. If you know that you will be absent on a particular day, you should inform the language teacher.
